NAVISTAR UNIT UPDATE

Dear Sisters and Brothers,

In an effort to move the Company back to discussions with both Local 127 and Local 35, the Bargaining Committees and the National Union have secured a meeting date of August 19, 2010, 10:00 a.m., with the Company. These discussions are in an effort to feel the climate of the Company's intentions for our future. On behalf of the membership, the Committee is committed to all options that exist for both Locals. An update to our Membership will be provided following this meeting.

In solidarity,

Cathy Wiebenga - Plant Chairperson
C.A.W. Local 127

Sonny Galea - Office Chairperson
